Support Options

★The Paros-Owada Scholarship Fund

LEX is committed to ensuring access to our programs. The Paros-Owada Scholarship Fund provides financial support to individuals and families who would not otherwise be able to join LEX Language Project.

The scholarship covers 60% of the registration fee, monthly membership fee, and audio materials. Audio materials may be paid for in up to 12 monthly installments with no interest or penalty. The scholarship is awarded to each recipient for one year. It is possible to apply for an extension of the scholarship after one year, if needed.

Preference is given to applicants with financial need who will participate actively in accordance with LEX methods and guidelines, who can attend on a regular basis, and are committed to creating a positive, active learning environment within the clubs. We want to see that the applicant has a genuine appreciation for LEX and would be a valuable member.

Everyone with financial need is welcome to apply for the scholarship. Non-native English speakers, multilingual people, those who identify as LGBT+, BIPOC, people with disabilities, and members of other underrepresented groups are especially encouraged to apply.

★Volunteer Opportunities

Please request more information and a volunteer application if interested.
